*UIBS Tech Job Fair is open to registered delegates/students or by prior appointment

8th USA India Business Summit (UIBS) & 23rd Georgia Tech Global Business Forum (GTGBF)

“Global Advanced Industries: Creating Local Opportunities Conference”

UIBS is largest conference in the South-East USA that promotes business relations between USA and India since 2010. We bring partnerships and businesses between the United States and India on a common platform and accelerate growth in key business & research areas. Meet 250+ participants including distinguished speakers from industry, C level executives, senior officials and researchers from Govt. and academia in daylong conference, multiple networking sessions and for the first time UIBS Tech Job Fair.
